WELCOME BRASSIES 2026/27

A MESSAGE FROM THE PRESIDENT

Dear Brassie Members,

Welcome to another exciting season of golf, friendship and competition with the **Brassies Women's Golf Association!** I am honored to continue serving as your President and delighted to welcome both our returning members and those joining us for the first time.

Brassies has always been about more than just golf. We bring together women from throughout North Central Florida who enjoy friendly competition, beautiful courses and the friendships that develop along the way. Whether you've been a member for many years or are just beginning your Brassie journey, we're happy to have you with us.

Our board has been hard at work planning another wonderful season of tournaments and we look forward to seeing you at the courses throughout the region. Information about our schedule, tournament formats and registration will be available on our website: Brassies.org. Be sure to check it regularly and watch for updates.

As many of you know, I have had the privilege of serving as your President for the past four years. While the position is traditionally a two-year commitment, I have been happy to continue in the role to help keep our organization moving forward. As we begin this new season, it is also time to start thinking about the future leadership of Brassies.

Over the coming months, I encourage you to consider members who would make an outstanding President for next year. If someone comes to mind – or if you believe you would enjoy serving in this rewarding role – please let a board member know. Our organization thrives because members are willing to share their time, talents and enthusiasm. Fresh ideas and new leadership help keep the Brassies strong and I would love to help make the transition as smooth and successful as possible.

One small reminder as we begin the season: our host clubs' golf staff and cart attendants work hard to make each tournament an enjoyable experience. From preparing our carts and loading our clubs to greeting us with a smile, they play an important role in the success of every event. Please remember to tip the cart attendants at each tournament. A suggested tip is \$2 per player. It is a small gesture of appreciation that reflects positively on the Brassies Women's Golf Association and demonstrates our gratitude for their hard work and outstanding service.

Thank you for being part of this wonderful organization and for representing the Brassies with the courtesy, sportsmanship and friendliness that have become hallmarks of our association. Together, we make every tournament a positive experience for our members and our host clubs. I look forward to seeing everyone on the first tee and sharing another season filled with great golf, laughter and lasting friendships.

Warmest regards,

Robin Cunningham

MESSAGE FROM VP OF TOURNAMENTS

Ladies,

Starting with our first Brassies tournament in September, I will be sending an email to the delegates notifying them of the names of their ladies who signed up to play from their club. It will be the delegates responsibility to verify that their ladies have entered their scores on GHIN.

According to FSGA, you can enter your scores as “A” (away) versus a “C” (competition).

Delegates, please notify me if someone fails to post her score.

Thanks,

Jackie Dziekan

***** All members, please read your book and note the new payouts for our events. The prize monies have been increased again for this upcoming season. Also, per our July board/delegate meeting, the index to join

Brassies is still **23.0**. Those meeting minutes are ready now on our website. Please take a few minutes to read what was discussed. As of this printing we have 92 members to start our new season.

DELEGATES,

Please mail new member applications to Jan Frame. **Print** all information, include all contact information, a check for \$40 payable to 'Brassies', GHIN # and **include a printed Handicap Index history of the prior 16 consecutive recorded scores of the applicant. All 16 consecutive scores must be 23.0 or lower.** Any questions, Jan's contact information is in your book.

DUES

Dues are still \$40 this year. Hopefully, we can go several more years before considering another raise. The price of everything has gone up from food, printing materials (ink & paper), postage, bag tags, our website and Brassie domain name just to mention some of our yearly expenses. Your dues cover the prior mentioned items as well as all prize monies given out throughout the year.

HAVE A FUN BRASSIE SEASON EVERYONE!
