WELCOME BRASSIES 2024/25

A MESSAGE FROM THE PRESIDENT

Hello Brassie Members,

It is getting closer to that time of year when we begin our new league year. I hope everyone had a fun and exciting summer. I know we are all ready for some cooler weather as this summer heat has been brutal.

You should receive information in the coming days about our first tournament in September. At our summer board meeting we discussed the cost of playing at different golf courses and meeting for lunch afterwards. As with just about everything, costs continue to go up each year. We do not want to lose anyone because the cost is too much. We have decided to try a different way of doing things. Most of this year's golf courses have given us a price that only includes golf. This will give everyone the opportunity to pay a lower amount and not feel obligated to stay for lunch. The golf courses will offer lunch at the player's own expense. If any of you have played in an FSGA tournament, this is what they do as well.

Our tournaments are scheduled in different formats to make them interesting for all player levels. We will continue to pair groups based on their handicap with two A players paired with two C players; also, two B players paired with two D players when able for individual events. That grouping seemed to work well last year in having all the players finish close to the same time. Surprisingly, we did not have a single hole-in-one last year. We still have a pot of \$375 waiting for this upcoming year. If you have not joined this fun challenge, (\$5 to enter) please let me know at the next tournament. Surely someone will have one this year.

Enjoy the rest of the summer! I look forward to seeing all of you at our first event in September.

MESSAGE FROM VP OF TOURNAMENTS

Ladies,

Starting with our first Brassies tournament in September, I will be sending an email to the delegates notifying them of the names of their ladies who signed up to play from their club. It will be the **delegates' responsibility** to verify that their ladies have entered their scores on GHIN.

According to FSGA, you can enter your scores as "A" (away) versus a "C" (competition).

Delegates, please notify me if someone fails to post her score.

Thanks,

Jackie Dziekan

DELEGATES,

Please mail new member applications to Jan Frame. **Print** all information, include all contact information, a check for \$40 payable to 'Brassies', GHIN # and **include a printed handicap Index history of the prior 16 consecutive scores of the applicant. All 16 scores must be 20.4 or lower.** Any questions, Jan's contact information is in your book.

DUES

Dues are still \$40 this year. Hopefully, we can go several more years before considering another raise. The price of everything has gone up from food, printing materials (ink & paper), postage, bag tags, our website and Brassie domain name just to mention some of our yearly expenses. Your dues cover the prior mentioned items as well as all prize monies given out throughout the year.

HAVE A FUN BRASSIE SEASON EVERYONE!
